Jaci, unless you plan to actually work on this, you don't need further involvement. I told Scott yesterday that it is ok for him to call the requestor and scope the request for information. If you plan to work on it, then I will not be involved further.

I will be in the office tomorrow. I would like either you are Jaci F or both to participate on my call to him. As far as I know, this is not a FOIA request. What time are you available?

This person called again today and left a message. If you determine he needs to file a FOIA, after talking to him, he can do so by using FOIAonline---easily findable by internet search.

Martha C. Rose Chemical Co.
Site ID: 0701206
Holden, MO (Johnson Co.)

I received a call from Michael Carolan (phone # 413-210-4059 -according to my caller ID) wanting more information about the

Martha Rose Chemical site. He asked to speak with Steve Kinser (the former RPM) and I told him Steve had retired. He wanted to speak to whoever was currently working on the site. I looked in SEMS and only saw Jamie's and George Hess as the only contacts that are still in the RO. I gave him Jamie's name and phone number, thinking she would know what, if any, activity is on-going. He was interested in finding out what is going on at the site (any continuing cleanup? How much did the cleanup cost? Etc. I could not find any on-going activities in SEMS.

However, I found the following note in SEMS under the Site Comments page. Not sure what relation the caller was to the man who was sentenced. I provided the caller with the DOC#. He wanted to know how to find it to read it, but I told him I had no idea as I was not a lawyer and not familiar with that type of information.

"TRIAL RESULTED IN CONVICTION OF 5 DEFENDANTS. WALTER CAROLAN SENTENCED 22 MONTHS IN FEDERAL PRISION. OTHER DEFENDANTS FOUND GUILTY BUT NO JAIL TIME IN SENTENCE.

TOXIC SUBSTANCES CONTROL CRIMINAL LITIGATION. DOC# 89-00045-01-CR-W-5. FILED IN WESTERN DISTRICT OF MISSOURI"

I did not see an EPA lawyer's name assigned to the site. I did not make the connection with the caller's last name at first. When I noticed the caller's last name was the same as the convicted defendant (after I hung up), I spoke to Dave. Jamie is out of the office this afternoon, so he did not reach her if he tried to call already. Dave indicated it would be best if Scott contacted the caller as Scott had actually worked on the case.
